HELPFUL HINTS for your new TracFone Android*!*

TRIPLE MINUTES/TEXT/DATA (*already programmed into your device- no promo codes needed!*)

✔ For every airtime minute purchased– you will receive(2) additional minutes at no extra charge. Promotional/bonus minutes do not qualify. See www.tracfone.com for complete details, terms and conditions. Certain restrictions apply.

✔ Airtime minutes added to your Android device will multiply into equivalent amounts of talk minutes, text messages and MB of data
(i.e. 200 minute Airtime Card = 600 talk minutes, 600 text messages, 600 MB of data and 90 service days. Amounts add to existing balance and service end date is extended by the appropriate number of days. Minutes/text/data cannot be transferred from one area to another.

✔ Data-Only Cards do not triple or provide service days. Service days do not triple. Triple text and data do not apply to non-Android devices.

✔ Keep your service active. Deactivation of service may result in the loss of your triple minute benefit.

✔ When adding minutes, TracFone's website will not indicate triple minutes during the transaction. A confirmation message will be sent to your TracFone device. Triple minutes will reflect in the "bonus" section of the message.

REPLENISHING AIRTIME

✔ Airtime must be replenished by your designated service-end-date. Airtime can be added via airtime PIN through the TracFone 'My Account' app, TracFone customer service, by visiting www.tracfone.com, or by calling TracFone at 1-800-867-7183.

✔ Do not add Airtime Cards that reference Double Minutes to your Triple Minute Android.

✔ See enclosed TracFone Services Guide for more details.

✔ Choose from millions of apps, games, songs, movies, books and more.

✔ You will need a new or existing google/gmail account to access Google Play-- setup is free and will be prompted upon initial setup of your device.

✔ Data usage may apply when browsing Google Play/downloading content to your device.

TRACFONE 'MY ACCOUNT' APP

✔ Android does not have an airtime display or a prepaid menu option like traditional TracFones. Download the TracFone 'My Account' app to track talk, text, and data balance, view your service end date, and load additional airtime PINS.

✔ Download for free– search for "TracFone My Account" in the Google Play store.

✔ Data usage does not apply to download and use the 'My Account' app.

- From your Android device, go to the Google Play Store icon
- Search for App called "TracFone My Account" (the developer will be TracFone)
- Click INSTALL
- ACCEPT the APP permissions
- The TracFone My Account App and Widget will download to your device
- Open the App to view your current Airtime Balance
- Add the TracFone MY Account WIDGET to one of your display screens.
- Click on Update Balance on the widget to receive real time airtime balance information.
- TracFone My Account App will not deduct data when used
